1. This Memorandum is issued to correct and add certain provisions in the Division Memorandum No. 373, S. 2026, titled, Beyond Awareness: Empowering Division Youth for Environment In-Schools Organization (YES-O) Officers In-Celebration with the National Environmental Awareness Month Celebration 2026

2. The activity seeks to move beyond environmental awareness by providing learners with direct opportunities to participate in coastal clean-up activities. Through experiential learning, learners are expected to better understand the relationship between healthy ecosystems, community resilience, climate action, and sustainable development. Mangroves play a crucial role in protecting coastlines from erosion, providing habitats for marine life, and acting as carbon sinks to mitigate climate change. However, coastal pollution and environmental degradation threaten these ecosystems.
