### I. GENERAL GUIDELINES

1. Interested individuals must pay a registration fee identified by the organizer on or before the actual date of the Summer Camp and Leadership Training to be considered as official participants. The registration fee will be used to cover expenses such as payment of the venue, decorations, honorarium of invited speakers, judges and technical staff, transportation, award materials, token for judges, incidental expenses and other related materials.
2. The registration fee is inclusive of three (3) lunch and six (6) snacks and camper's kit. The first snack will be served on the afternoon of Day 1. The first lunch will be served on Day 2. Billeting and accommodation of participants will not be shouldered by the organizer. It is highly suggested that interested participants should book hotels or transients in advance near the venue.
3. For the mechanics of registration payments, please visit this website: [www.sci-mathbrainpower.com](http://www.sci-mathbrainpower.com) or thru this contact number: (047) 251-3799 / 0926-726-8477
4. Only officially registered campers are allowed to stay at the camp site and join any activity of their choice.
5. Teacher-coaches/advisers must secure written parental consent of their students/pupils. It must be presented during registration or as requested by the organizer. Make sure that students are healthy and physically fit to join the camp.
6. A Teacher-coach/adviser shall be free of charge for every ten (10) student-participants that are officially registered. Visiting officials from DepEd or any other organizations are free of charge.
7. Participants should bring with them clothing, beddings, pillows, blankets and other personal belongings.
8. All participants are required to wear the camper's ID at all times within the venue and are expected to obey the rules and regulations during the entire period of the Summer Camp.
9. For contests and competitions, the decision of the Board of Judges is final and irreversible.
10. A contestant is only allowed to join two (2) contests considering that most of the contest events will be held simultaneously. The first contest selected should be held in the morning and the other contest in the afternoon or in the next contest day to avoid conflict of the schedule.
11. The winners in the different contests and competitions will receive a Certificate of Recognition. All campers will receive a Certificate of Participation.

## II. SPECIFIC CONTEST GUIDELINES

### A. Search for *Lakan at Lakambini ng Kalikasan* 2018

#### SPECIFIC OBJECTIVES:

1. Encourage students' active participation in the protection, preservation and rehabilitation of the environment.
2. The Kalikasan Search identifies the major components of the natural environment and make students realize that each is vital for survival.
3. Make the participants aware of the interdependence of mankind and the kind of environment where they live.

#### RELEVANCE OF THE SEARCH:

The *Lakan at Lakambini ng Kalikasan* is the highlight of the Summer Camp because it will showcase the different aspects of the natural environment such as the water, mountains, air and forest and the wild animals creeping in them. The relevance of the Search is mainly on making the participants become aware of the interdependence of each component of the environment, showcasing its unique beauty when protected. The impact of this one but very important message is to be depicted by the candidates for Lakan at Lakambini who will act as ambassadors of the environment.
