Dear Sir:

Greetings!

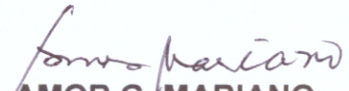

The Field Study 4 Exploring The Curriculum students of Opol Community College would like to request your permission to allow them to conduct their observation in your school. The observation aims to provide our aspiring teachers the opportunity to see the clearer view of a real classroom setting. The Field Study activity will start on September 5, 2016 until compliance of the 17 hours needed for this Field Study activity. It will be a great help for our future teachers to conduct their observation in your school.

We are anticipating your kind and considerate action on the above request.

Attach is the list of the students for your perusal and reference.

Thank you and God bless!

Very truly yours;

MS. AMOR G. MARIANO
FS-4 Instructor
