NATIONAL ROBOTICS COMPETITION

The Pinoy Robot Games is inviting students and teachers to participate in the annual **National Robotics Competition** thru an Online platform.

Participation of both public and private schools shall be subject to *no-disruption-of-classes policy* as stipulated in DO 9 s. 2005 entitled *Instituting Measures to Increase Engaged Time – on Task and Ensuring Compliance Therewith*.

Attached is the letter from the Pinoy Robot Games for reference.

DR. OLGA C. ALONSABE, Ph.D., CESE
OIC - Schools Division Superintendent
Division of El Salvador City

Dear Dr. Alonsabe,

Greetings from Pinoy Robot Games!

May this letter find you and your family in good health. True to our mission of training and supporting the nation's young scientists and engineers, PRG will be conducting the annual **National Robotics Competition ONLINE**. From the comfort of their home, participants may start performing the challenges and solving problems. They begin submitting their entries on April 10. All entries are weekly evaluated and ranked until the culminating date of May 15, 2021.

There will be 12 events. All are new. Instead of completed Robotics and AI Project, one event is the *"Great RIM Ideas"*. In this event, participants will propose a solution to any of the UNSDG categories. No actual device is needed. We hope for subsequent investors to fund the project after the contest.

We are formally inviting all schools of your division to participate in this annual event. Registration begins on February 20.

For more details, please visit our website: www.pinoyrobotgames.org

We are looking forward for the participation of your division in the event.

Sincerely,

Melvin R. Matulac
Founder, PRG
