Dear **DR. ALONSABE**:

The Department of Energy is mandated to formulate and implement policies, plans and programs for the promotion, development and utilization of renewable energy resources including emerging energy technologies.

In line with this, the DOE - Mindanao Field Office (DOE-MFO) will be conducting a webinar – an Information, Education, and Communication (IEC) campaign on Renewable Energy and the basics of Solar Photovoltaic (PV) Systems to all Science Teachers in Elementary and Secondary Schools of El Salvador City. The said IEC/ webinar is tentatively scheduled on the fourth week of May to June 2021 (9:00AM to 12:00PM) through Google meet video conferencing platform with maximum of 90 participants per session.

The IEC campaign primarily aims at increasing the level of awareness, appreciation and enhance the technical knowledge of the Science Teachers on renewable energy technologies and the basic concept, process, and operations of solar PV technologies. An electronic certificate of participation and presentation materials will also be given to the participants.

Should you have further queries/clarification or other concerns with regards to this activity, please do not hesitate to contact our personnel Ms. Nellan B. Bolipata at 0906 804 2629 (Globe) or (082) 221-0778, or send a message to [doemfo.erdud@doe.gov.ph](mailto:doemfo.erdud@doe.gov.ph).

Your positive response on this invitation is highly appreciated and we look forward to your usual support and participation in this activity.

Thank you very much and have safe and healthy days ahead.

Very Truly Yours,
