To whom it may concern,

Warmest greetings from the Junior Chamber International - Manila!

JCI-Manila is "Asia's" first and premier leadership development organization composed of young entrepreneurs, businessmen, politicians, corporate managers, and committed socio-civic workers who aim to develop their leadership skills and create positive change in the community.

We are a non-profit organization that aims to provide opportunities that empower young people to create positive change for the development of society.

We believe deeply in financial inclusion and that financial freedom should be enjoyed by all Filipinos regardless of their background. We believe that every Filipino deserves a good life and that financial literacy is the key to provide access to this life. To fulfill this advocacy, TEN OUTSTANDING GURO AWARDS an awarding ceremony to acknowledge deserving teachers in coordination with a pioneering group of JCI Manila members would like to conduct financial literacy and Motivational Talks to your good office. This project will impact and motivate the lives of hundreds of Filipino teachers.

This year, we hope to build upon the foundations of financial literacy awareness sessions and motivate our teachers in these trying times across different schools in online platforms. Our project beneficiaries will be public school teachers.

In line with this, Mondelez, Dingdong Dantes' Yes Pinoy Foundation, Huawei Technologies have partnered with us to support and offer sponsorship packages with TOGA.

We invite you to take part and participate in Free Teachers' Training seminars held online thru Zoom, schedule and invitations are posted via Facebook page JCI Manila Toga, together with this please download the form - <http://bit.ly/TOGA-DownloadableApplicationForm>, which is also available in our JCI Manila TOGA Page.
