**Dear Ma'am Alonsabe:**

Greetings of Peace and Good Health!

The government through the Department of Science and Technology (DOST)-Philippine Science High School System is offering a **FREE SCHOLARSHIP** to Grade 6 pupils for this School Year through the Requirement for Admission, Criteria, and Evaluation (RACE). Qualified students will enjoy the following SCHOLARSHIP PRIVILEGES:

1. FREE Tuition Fee
2. Free Loan of Available Textbooks
3. Monthly stipend
4. Monthly Living Allowance to Low Income Group
5. Dormitory Accommodation

Indeed, it is a promising opportunity for the **Grade 6 pupils** within your Division to avail themselves of this government scholarship grant. There are 16 campuses under the Philippine Science High School System (PSHSS), and applicants may choose what campus to enroll in should they qualify.

Hence, we appeal to your august office to help us disseminate the information to the different elementary schools in your Division for all graduating pupils with a final grade of 85% in Science and Mathematics last school year (Grade 5, SY 2020-2021) or those who belong to the upper 10% of the class.

The application can be done ONLINE through the website [ncc.pshs.edu.ph](http://ncc.pshs.edu.ph) or they may submit their application by sending a scanned or digitized copy of the filled-up application form with attached report card (Grade 5) through our FB page: Philippine Science High School - Central Mindanao Campus or through email [ncc@cmc.pshs.edu.ph](mailto:ncc@cmc.pshs.edu.ph) They may also contact us so we can help them in the submission of their forms at 0998-571-6805 or 0965-418-2399.

Moreover, if it is necessary to present the new procedure of RACE application in one of your virtual meetings, we are very much willing to do so. You may contact us through email [registrant@cmc.pshs.edu.ph](mailto:registrant@cmc.pshs.edu.ph) or through our contact numbers above.

Thank you very much and God bless.

Sincerely,
