**ADVISORY RELATIVE TO TYPHOON ODETTE WITH TROPICAL CYCLONE WIND SIGNAL (TCWS) NO. 2 IN MISAMIS ORIENTAL**

With reference to DepEd Order No. 14, s. 2021, when TCWS No. 2 is raised by PAGASA, public and private kindergarten, elementary and secondary (i.e. Junior and Senior High School) classes, regardless of learning delivery modality in the affected areas, shall be automatically cancelled or suspended. Teaching school personnel, solely handling cancelled or suspended classes are not required to report to work, regardless of working arrangement adopted by the school, in consideration of the work/service that they have to render during make-up classes.

Non-teaching school personnel and Schools Division personnel shall be required to work but may avail the Work-From-Home (WFH) arrangement today considering the challenges the weather may bring in the transportation to and from the office. Unit heads are expected to ensure that office operations are not hampered. School heads and Disaster Risk Reduction and Management (DRRM) in charge are expected to monitor and report updates to Mr. Jeffrey Martinez.
