REGION X – NORTHERN MINDANAO SCHOOLS DIVISION OF EL SALVADOR CITY

Office of Schools Division Superintendent

No. 183, s. 2022 November 14, 2022

In compliance with DepEd Order No. 8, 2013, this Advisory is issued not for endorsement as per DO No. 28, 2001 but for the information of DepEd Officials, Personnel/ Staff, and the concerned public. (visit https://depedelsalvadorcity.net)

24TH INTERNATIONAL ROBOT OLYMPIAD

The Secretary General of the International Robot Olympiad Committee (IROC) is inviting students and teachers to participate in the 24th International Robot Olympiad on 11th – 16th of January 2023 in Sapham Him, Phuket, Thailand.

Attached is the communication for the complete details.

Further, this Office shall adhere to Equal Opportunity Principle (EOP). Hence, all actions shall be based solely on guidelines set with no discrimination on the account of age, gender, identity, sexual orientation, civil status, disability, religion, ethnicity, or political affiliation.

Participation in this activity shall be on voluntary basis. As such, the participants themselves shall shoulder any registration fees and travel/incidental expenses. Further their participation shall be subject to the *no-disruption-of-classes policy* stipulated in DepEd Order No. 09, s. 2005 entitled Instituting Measures to *Increase Engaged Time-On-Task and Ensuring Compliance Therewith*, Section 3 of Republic Act No. 5546 (Policy on Contributions), and DepEd Order No. 66, 2. 2017 (Policy on Off – Campus Activities).

For information and guidance.

DepEd Region 10

Masterson Ave., Zone 1, Upper Bulalang, Cagayan De Oro

Dear Dr. Bayocot:

We humbly present the invitation from the Secretary General of the International Robot Olympiad Committee IROC, based in KAIST South Korea, Mr. Young-Soo Park. The IROC is pleased to invite the Philippine robotics teams to participate in the 24th International Robot Olympiad on 11th-16th of January 2023 in Sapham Him, Phuket, Thailand.

The International Robot Olympiad is an annual gathering of robotics learners from around the world. It has been providing skills demonstration opportunities for future scientists and young technology developers for over 2 decades. Through the different robotics challenges in the record-based game category, tournament-based category and evaluation-based category, students from different parts of the globe are able to achieve the following:

- 1) Benchmark their skills with learning peers from the international community
- 2) Acquire effective habits and learn the best practices in Science, Technology, Engineering and Mathematics
- 3) Improve their programming abilities, develop resourcefulness in robot building, and further hone their science and investigatory research skills
- 4) Gain confidence to socialize, lead a team, and represent the country in the world stage of robotics, science and technology

The national partner of IROC in the Philippines and the one holding the local training and competitions, working and coordinating with the local school robotics teams and qualifying competitions, and the national delegation organizer is the Data Science and Technology Corporation DSTC. For registration to the 24th IRO, inquiries may be coursed through the DSTC / Philippine Robotics Team email, philippineroboticsteam@gmail.com or may also contact 09284353229.

Thank you.

Invitation Letter: International Robot Olympiad 2022

<u>INVITATION TO 24th INTERNATIONAL ROBOT OLYMPIAD 2022</u> IN PHUKET, THAILAND

On behalf of the Organizing Committee of the IRO 2022, we are very pleased to invite you and your students to participate in 24th International Robot Olympiad 2022 which will be held in Gymnasium in Saphan Hin, Phuket, Thailand from 12th to 16th January 2023. Detailed information of invitees is listed below.

IROC has been running robot competition for young children since 1999. There have been more than 50,000 participants worldwide every year to take part in the international competition. IROC has extensive experience and expertise to use robot for Science Education and to raise awareness of the importance of Science and Technology for children in world.

More information regarding IRO 2022 including competition rules, registration and accommodation is uploaded at www.iroc.org.

Please do not hesitate to contact Philippine Delegation, Data Science and Technology Corporation (philippineroboticsteam@gmail.com) if you have any queries.

Yours sincerely,

Young-Soo Park
