PRECAUTIONARY MEASURES IN RESPONSE TO HIGH HEAT INDEX

In view of the possible occurrence of high heat index levels, all schools are hereby advised to undertake appropriate preventive and protective measures to safeguard the health, safety, and well-being of learners, teaching personnel, and non-teaching personnel.

All schools are directed to: Monitor the daily heat index forecast and actual readings issued by the Philippine Atmospheric, Geophysical and Astronomical Services Administration (PAGASA) and other official government sources; Learners are not required to wear school uniform for comfort but shall wear their Identification Card (ID) for safety and security; and Ensure adequate hydration by encouraging learners and personnel to bring and regularly drink sufficient water throughout the school day.

Alternative Delivery Modalities (ADM) shall only be implemented if conditions will worsen provided School Heads must have prior consultation with the Division Office. Document and report heat-related incidents involving learners or personnel through the appropriate school and Division DRRM reporting mechanisms.

For schools having thermometer with hygrometer installed, please input daily reading via this link: https://bit.ly/ELSA_HeatIndex.

Immediate and wide dissemination of this Advisory is desired.

RANDOLPH B. TORTOLA
